

AMERICAN NUMISMATIC ASSOCIATION

FROM THE OFFICE OF THE SECOND VICE PRESIDENT

November 7, 1953

Dear Lew:

I attach herewith the bill for mimeographing the questionnaire and letters to regional groups, copy of which I believe I sent you.

Thus far I have received seven replies out of the thirteen sent out. Strangely enough three are from groups represented at the Dallas meeting and I am inclined to believe the failure to reply is due to the fact that I sent one to each individual there, with the result that none of them replied. Will write them again today.

Of the others have received no reply from Iowa, Oklahoma-Kansas and Penn-Ohio. Of those received, several were accompanied by letters indicating a real desire to receive some sort of benefit from the program.

Had a letter from Dr. Judd indicating that he is fully recovered and ready to go, which I was glad to hear and hope he is not rushing it.

Regards,
